General

All members and guests are required to scan the SafeEntry QR prior to entering and when exiting our premises. This QR is available at the main gate. Mandatory temperature-taking will also be conducted before entering our premises.

All members and guests are required to remain in groups of no more than 2 pax at any given time and remain socially distant from other groups.

Other safety protocols to observe include wearing of mask at all appropriate times and the practice of good personal hygiene. Self-discipline and self-regulation to comply with the SOPs and guidelines remain crucial.

We will strive to update members with more information as soon as feasible and we look forward to the 18 August and the end of the pandemic.

Stay in, stay safe and we will see you soon.
